LEADERS IN SENATE AND unt se PLEBGED TO DO IT.

tas 4 alt a Republican Caucus as Soon as the Bailroad Bill Is Out of the Way House Will Pass the Hill Next Week Scuator Aldrich Will Do His Part.

WASHINGTON, April 22. The Adminisration leaders in the Senate and House stend to push forward the Taft proramme of legislation as fast as possible and the President is hopeful that

said to-day that they would not enter caucus. The insurgents apparently fear that if they enter the caucus they may be found to oppose the insurgent mendment which was tacked on the postal savings bank bill in the Senate. This amendment prohibits the investment of postal savings bank deposits in United States bonds bearing less than 21, per cent interest. The effect of this amendinvesting the postal bank deposits in held as a basis for circulation notes by the national banks, which was one of changes in the laws affecting sub-freasury

Only two members of the nineteen on the Post Office Committee of the House are in real sympathy with the proposed Weeks cold the President this, and added that if it were not for the fact that the Republican national platform adopted Chicago promised such legislation nd that President Taft had urged it Senate bill would not stand a chance of being reported in any shape from the figure committee.

n a caucus some sort of bill will be presented and the caucus itself will either should take. The outlook for the Administration railroad bill is more promong. It will be passed by the House rext week. General data e on the measure to the House rest week. General data e on the measure the House rest week. SENATE COULDN'T VOTE FOR LACK OF QUOREM.

Bosserelt Eulogized in a Speech by Sena-tor Crawford. The Entire Behate Was on an Amendment Permitting Traffic Agreements by the Railroads.

of the Administration railway bill was Secretary John A. Penton admitted halted in the Senate late this afteraoon when questioned at length by Attorney my send the President is hopesor the regress will be able to adjourn before is middle of June and possibly by June 1. The President had a long talk to-day in Senator Aldrich in regard to the Administration programme and last night subject was considered at another White House conference attended by Senators Aldrich, Crane and Root and Representative John W. Weeks of Massachusert John W. Weeks a vote on the amendments providing the resolution that resulted in the present that proposed traffic agreements shall be investigation, that most of the members subject to the approval of the literatate of the committee and other officials of insurgents after an announcement by and consequently would be benefited by Senator Dolliver that he desires to be the large increase in the tonnage dues and for the first time this session a roll idea of pecuniary advantage had never call of the Senate failed to show a ma-occurred to any other of the officials in

Senator Elkins wanted the Senate to adjourn until 11 o'clock te-morrow morning, but there were immediate ob-jections to an early session of the Senate, and in the absence of a quorum a motion could not be entertained. Senator Elkins gave notice that unless there is better progress in the consideration of the railway bill he will not be able longer to resist the demand for night sessions.

tary of the Treasury Norton gave out this statement this morning:
It is not necessary to deny the statement published in some of this morning's newspapers that thieves and embezzlers in sub-treasuries are immune. The records of Federal penitentiaries prove the contrary.

It is true that the Treasury is urging changes in the laws affecting sub-treasury operations and is making important changes in the business methods, physical arranges agreements.

Senator Crawford in the course of his speech got very much excited over the character of Theodore Roosevelt, whom he eulogized in the highest terms. It was the first time that anything like a simon pure pro-Roosevelt speech has been heard in the Senate this session. Announcing that he always has been and now is a follower of Mr. Roosevelt, the Senator from South Dakota sang this

in the Interstate Commerce Commission, who made this subject a live one from one end of the country to the other and forced consideration of it by Congress. Is Theodore Roosevelt. The statements of the ex-President were never treated with indifference in this country, whether they appeared in messages to Congress or in addresses in his travels. It made no difference whether we agreed with him or not. Everybody paid heed to what he said. The utterances of no man have ever attracted so much attention."

servation of the nation's timber supply, he said, is one of the most important of the rodes. The next generation with with six it is important to teach the people how to plant trees. The next generation will witness a timber familie unless important to teach the people how to plant trees. The next generation of the nation's timber supply, he said, is one of the most important of that it is important to teach the people how to plant trees. The next generation of its remainder that it is important to teach the people how to plant trees. The next generation of the nation's timber supply.

SHIP SUBSIDE SCANDAL.

Direct interest in Subsidy Bill.

WASBINGTON, April 22. At to-day's hearing before the Olcott special committee which is inquiring into the ship sub sidy scandal it was brought out for the first time that the members of the executive committee of the Merchant Marine League had a direct interest in the legislation urged by them for the restoration WASHINGTON. April 29. Consideration of the American merchant marine.

Secretary John A. Penton admitted by the absence of a quorum. Senator Raiston, counsel for Representative Elkins who is in charge of the bill, wanted Steenerson of Minnesota, who introduced Commerce Commission, but there was the league were engaged in the producobjection on the part of Democrats and tion or transportation of iron ore or stee heard and that he preferred to go ahead on vessels entering from certain counto-morrow morning. The point of no tries. That view had never occurred quorum was made by Senator Bailey. to him before and he was sure that the

question.

An extract from the American Fleg, the official organ of the league, mentioning "representatives of the foreign shipping combination in and out of Congress," was quoted by Attorney Ralston, who asked Denton whom he had in mind in Congress by that.

"That applies to Steenerson." Mr. Penton replied. "We felt that his attitude and his bitter attack on the league indicted that his motive was not worthy and that he was interested in the other

indicted that his motive was not worthy and that he was interested in the other side of the question."

According to Mr. Penton the Merchants Association of New York is dominated by the foreign shipping intetests. He was confident that the league would be able to prove that people had been working in Washingtom in the interests of foreign shipping. By that he said he meant to indicate the two members of the Merchants Association who had appeared before the House Committee on Merchant Marine.

FOR SCHOOL OF FORESTRY

Senator Burkett Proposes It as a Memorial to J. Sterling Morton.

WASHINGTON, April 22. A bill to establish a national school of forestry at Nebraska City, Neb., as a memorial to the late J. Sterling Morton, father of Arbor Day and of the injunction "Plant trees," was introduced in the Senate to-day by Senator Elmer J. Burkett of Nebraska

"The foremost figure in the United States, the character who above all others put life into the demand for railway regulation, who put new fire and virility in the Interstate Commerce Commission, who made this subject a live one from one and of the carried states and was Secretary of Agriculture in President Clevelant's Cabinet. He said that Mr. Morton originated Arbor Pay more than thirty years ago. Consended the carried states are the constant of the carried states and was Secretary of Agriculture in President Clevelant's Cabinet.

he said. The utterances of no man have ever attracted so much attention."

After reading from a message by Mr. Roosevelt in favor of traffic agreements Senator Crawford exclaimed: "He is still a living force. It makes no difference where he is, whether he is in the jungle, in Rome, Vienna, London or Paris, he is a great force, and so long as he retains his
